A God-Given Medicine

Rev. John C. Orebough, a prominent clergyman and temperance advocate, says that DUFFY'S PURE MALT WHISKEY is a God-Given Medicine.

Thousands of temperance advocates and clergymen throughout the country agree with Dr. Orebough, and have the courage of their convictions to recommend DUFFY'S PURE MALT WHISKEY as the greatest tonic stimulant and body-builder known to science.

I long suffered from irregular appetite, diarrhoea, then constipation, abnormal temperature, often below normal; it stultifies the memory is dull and I feel weak. I have tried many treatments with no beneficial results.

Pardon me to further say that I have always been opposed to whiskey as a beverage, but have always believed that PURE whiskey used as a medicine was a God-Given one. I NEVER found PURE until I got "DUFFY'S."

The best I could get seemed to increase my trouble and would burn in my stomach, but I find nothing disagreeable with DUFFY'S. It has done me a vast good and I trust others may use it through my recommendation.

—(Rev.) JOHN C. OREBAUGH, Anderson, Ind., Oct., 2, 1906.
